Final Analysis:

Bottled:	8/30/2010
Alc. by Vol.:	14.6%
TA:	TBD
pH:	4.16
RS:	TBD

Winemaker's Notes:

Famed throughout Spain for its uncommon finesse and savory flavors, Tempranillo thrives in the grape growing climate of the Walla Walla Valley. Characteristic to the varietal, this Tempranillo is deep ruby red with aromas of baked berries, plum, vanilla and spice. Elegant and structured by bright acidity, its fruit-filled finish and light minerality are a delight to the senses.
